## PASTOR AND ENTREPRENEUR

I am working in the Pastoral ministry for the past 8 years, and I am an entrepreneur with a holistic approach in empowering our church members including the local communities to improve our effectiveness in the kingdom and the world around us.

From 2008 we established different programs through the World Family Fellowship Family Church. In organizing various training programs, conferences, camps for couples which also includes camps for the youth who come from underprivileged communities.

In the Fellowship Family Church, we have developed manuals for different church departments that we conduct continuous training programs for men and women of God, and church members according to their calling with aim of improving the quality of Christian life in every aspect.
